WHERE HISTORY AND HIGH-TECH MEET: REGION'S FIRST IACC CONFERENCE CENTER AND ELEGANT EVENT SPACE ATTRACT BUSINESS TO CENTRAL NEW YORK

[Marriott Syracuse Downtown](#)'s extensive meeting and event facilities span more than 41,000 square feet and accommodate groups of up to 1,330. They include an IACC Conference Center that's the largest and newest in the region – and first in Central New York -- plus several exquisitely restored event spaces from the original 1924 landmark building that have played an integral role in the city's history. Add to that a central downtown address and status as the official hotel of Oncenter, Syracuse's 200,000-square-foot convention center just two blocks away, and Marriott Syracuse Downtown is poised to host central New York's most important meetings, corporate events, and social affairs.

Located on the street level and second-floor lobby level, Marriott Syracuse Downtown's 14,200-square-foot **IACC Conference Center** is the largest facility in the Syracuse area to meet the discerning standards of the globally recognized International Association of Conference Centers. It includes the lobby level **Finger Lakes Ballroom** which, at 8,000 square feet, can be configured into three smaller rooms; the Foyer; and eight ground-floor meeting rooms ranging from 350 to 1,250 square feet. All feature the latest audiovisual technology and on-site support, plus expert conference and catering services, with flexible meeting packages to suit all budgets. Complimentary WiFi is available throughout the center.

On the 10th floor, the historic **Grand Ballroom** spans 5,952 square feet. Its two-story windows, crystal chandeliers, and hand-painted arched ceiling depicting clouds against a blue sky, have all been magnificently restored. The Grand Ballroom accommodates up to 400 for meetings and sit-down dinners, and 600 for cocktail receptions. Other 10th floor event spaces include the 1,372-square-foot **Empire Room** and six smaller meeting rooms for board meetings and other executive-level gatherings.

The newly restored **Persian Terrace**, on the lobby level, is an elegant 4,050-square-foot space with expansive arched windows and a tromp l'oeil ceiling with rich wood coffered effect and hand-painted classical details. Its beautifully hand-laid herringbone wood dance floor harkens back to the big band swing era, when the likes of Cab Calloway, Benny Goodman and Glenn Miller would entertain guests as their bands passed through Syracuse on tour. The Persian Terrace has a capacity of 200 for meetings and 300 for dinners and receptions.

For more intimate social events, Marriott Syracuse Downtown's **private dining room** is available to parties of up to 20. Its centerpiece is a one-of-a-kind antique wine cabinet that was uncovered during the hotel's restoration and restored by local craftsmen at Harden Furniture board by board.

The hotel's creative culinary team offers a wide range of meal and break options, from casual boxed lunches and make-your-own tacos to plated dinners and elaborate buffets – all with a focus on seasonal, local ingredients.
